Section 3 - Inspection Details

0 Violations:

Order to Comply: No

Remarks in addition to the above violation(s):

Within ten business days of the issuance date on the results and report, the salon must conspicuously post the inspection results in the entryway or at the reception desk of the salon, and place the detailed inspection report in the reception area so that the public may review the results.

Photographic evidence collected during this inspection has been recorded. You may be re-inspected, at which time a re-inspection fee may apply. All violations must be self-corrected. In addition, if your report indicates above that you were issued an OTC, follow the OTC's directions.
